Not George Washington

It has been said that behind every successful man is a good woman. This is certainly true in the case of James Orlebar Cloyster. However, some funny things happened on his road to success. His story is humorously told from the point of view of several parties involved.

According to Wikipedia, the book is a humorous, fictionalized account of Wodehouse's early years as a journalist, with Wodehouse being portrayed by the character of Cloyster. (Summary by Debra Lynn)
